Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C.

Dear Dick:

I am grateful to you and your colleagues for helping to make the 1967 Combined Federal Campaign of the National Capital Area an overwhelming success. We raised over 6.3 million dollars which is more money than has ever been collected before in any charitable campaign in Government. These record results could not have been possible without your personal leadership and without the generous support of your employees.

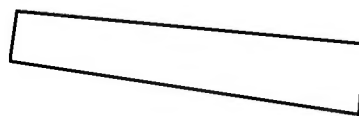

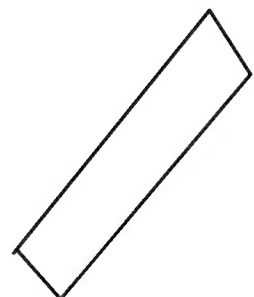

It was a real pleasure to work with you in this drive. Please express my sincere appreciation to your associates for the splendid support they gave in this great humanitarian effort.

My very best good wishes to each of you.

Sincerely yours,

John T. Connor
